Unleashing Creativity & Innovation through Technology

POWERED BY

TECHNOBEAT  
VERSION i.25

15<sup>TH</sup> – 16<sup>TH</sup>  
FEBRUARY

#MEETTHEHEATTECHNOBEAT

# INTRODUCTION

*A Tech-A-Thon is an event where people gather together to collaborate, ideate, design, and build solutions to problems.*

*Tech-A-Thon is a 24 hours event, where individuals or teams work on projects or prototypes that address a specific challenge or problem.*

*A Tech-A-Thon will begin with an opening ceremony, where the goal and topics of the event will be introduced. Participants from teams, work collaboratively on their project, with the help of mentors.*

*Tech-A-Thon will also provide access to technology tools, APIs, and datasets for participants to use in building their solutions.*

# OBJECTIVES

*The Tech-A-Thon seeks to achieve several key objectives: fostering collaboration and teamwork, enhancing problem-solving skills, and providing a showcase for students to exhibit their technical acumen. By focusing on these pillars we aim to create an environment that nurtures holistic development among participants.*

# EVENT DETAILS

*Scheduled for February 15 and 16, 2025 at Mulund College of Commerce (Autonomous), Tech-A-Thon is designed for the span of 24 hours.*

*Participants will have the flexibility to choose from various themes, challenges, or tracks that align with their interests and expertise. This diversity ensures an inclusive event that caters to students with different technical backgrounds.*

## PRIZES

**₹8000**

**₹12000**

**₹5000**

# HOW TO PARTICIPATE? (FOR REGISTRATION)

*The deadline for registration is  
February 12, 2025.*
